Workshop Participants Praise Connie Domino's Workshop

“My business has extended into three new states and my check has increased every month since I took the workshop – sometimes with double digit growth. I am amazed at how simple it was to follow your system.”
Rosemary Martin, Ideal Health

“I met my life's partner after taking your class and working on my affirmations. Your workshop assisted me to uncover a big block I had around marriage. Once I identified and removed this block, my perfect partner came into my life, and now I am happily married and we are planning our first child.”
Beth San Cartier

“Literally within 1 and 1/2 hours after leaving Connie's workshop, I manifested. A gentleman called out of the blue asking what my service was about, and requested to meet to discuss how my service could benefit his company. (Yes, I almost burst out laughing because I could not believe that this was happening.) I was blown away.”
Greg Tillack, Your Personal Valet Concierge and Errand Service

“I got exactly what I've been affirming. I started work two weeks ago for a wonderful company. I have two of the most qualified managers I could have imagined. I got exactly the amount of money that I stated in my goal.”
Johanna Stouder

“I have manifested financial abundance. I have more sales prospects now than I can handle. I have doubled my income since last year.”
Chris O.
